Dear Employer

Request for medical certification from absence of work related to the Covid-19 pandemic

Your employee has been absent from work from __ / __ / 2020.

The reason for this is that they are following current Government and/or Public Health advice related to the Covid-19 pandemic. Specifically this is because:

- They are symptomatic (7 days)
- They are symptomatic and continue to be after 7 days
- A household contact is symptomatic so they are required to self-isolate (14 days)
- They are following Government advice for high risk patients as they suffer with:

Date fit to return to work (where applicable) __ / __ / 2020

Due to current pandemic and pressure on General Practice, we are prioritising the urgent medical needs of our patients and will not be providing a medical certificate for this absence.

Many thanks for your understanding during this challenging time.

Signed:

Dr Natalie Flood

Dr Mark Foulerton
